8TH ANNUAL
ANNUAL PLENTIFUL
HARVEST GALA

Dear Friend of UHC,

I would like to take this opportunity to thank you for your long-term commitment by supporting the UHC-Hub of Opportunities, "Plentiful Harvest Food Rescue Program," which allows us to deliver the highest quality of services to those experiencing hardship in Windsor-Essex County.

I would like to extend an invitation to you, your friends, and your family to carve out some time for UHC's 8th Annual Plentiful Harvest Gala that will be held on Friday November 19, 2021, in the comfort of your own home! Guests will be able to pick up a gourmet meal from St Clair Centre of the Arts and join us for a virtual ceremony live streaming, which will include wine, appetizers, a decadent dinner, raffles, and entertainment.

The UHC's "Plentiful Harvest Food Rescue Program" does not receive funding from any other source, therefore, we count on your ongoing support to ensure we can continue to alleviate hunger in Windsor-Essex County. Programs like the Community Kitchen and Food Rescue program are truly unique to our organization. Located so close to the bustling agricultural centre that is Leamington, Ontario, we can take in and distribute healthy, nutritional food that is grown right in our own background. This fresh produce is truly at our fingers tips, yet many children and their families in our community do not know where their next meal is coming from.

It is because of your generosity and support that hungry people have a place to go for help. You're helping make a difference in our community!

Here are a few of the impacts this program has on our community just over the past year:

- 4 million pounds of food have been rescued.**
- 1 million servings of soup have been prepared through our farm to food program**
- 1.1 million meals have been made prepared and distributed through our community kitchen**
- 510,000 people have received food assistance.**

We are proud to share with you that since the inception of the program in 2012 we have rescued over **20 million** pounds of fresh and prepared foods to put on the plates of those who are hungry. This last year has been difficult for many of us as we all have been faced with a unique set of challenges, however the most vulnerable have been impacted the most during these unprecedented times. The need in our community for access to healthy, affordable food has grown exponentially, and those experiencing hardship need your support now more than ever.

Again, none of this is possible without the support of people such as yourself. Please join us this year for our virtual Gala celebration. Gather with those welcomed in your immediate circle, and celebrate each other's company well supporting a great cause, and help to ensure we can continue to deliver this much-needed program. Once again, thank you for your past and continued support.

Gratefully,
